# Who Will Be Classified As Nonexempt

Due to a recent change in the federal Fair Labor Standards Act, most full-time and part-time employees must earn at least \$913 per week (or \$47,476 per year) in order to remain classified as overtime exempt.

To comply with the DOL's new overtime rule, the University of California will take the following approach:

- Junior Specialists will be reclassified as nonexempt
- Staff and academic personnel who do not qualify for the professional teaching exemption and who earn less than \$913 per week, will be reclassified as nonexempt and paid on an hourly basis.
